CATALOGUE

# OUR STORY. IT'S QUITE A YARN.

Inspired by the pioneer settlers whose boundless energy and tireless efforts saw them towering New Zealand forest to create the township of Norsewood.

The 70 Mile Bush was the densely forested area stretching from Norsewood in the north, to Masterton in the south.

Made for active, hardworking people who live life on their feet, every pair of 70 Mile Bush socks have been designed and engineered for maximum comfort and knitted in our Norsewood mill from the finest natural fibres for excellent durability.

Our high performance apparel is made from two of the finest natural fibres, designed to withstand anything you throw at it.

# MERINO: IT'S YOUR NATURAL PROTECTOR

Wool truly is a wonder fibre: breathable, durable and non-allergenic, wool is naturally flame resistant.

Our full range of naturally arc resistant clothing is comfortable to wear, easy care and shrink treated - and available in any colour you like, as long as it's black.

*Key benefits of our range include;*

-  **High ignition temperature - 570-600o C**
-  **High Limiting Oxygen Index [LOI] - the measure of oxygen needed to sustain combustion**
-  **Low Heat of Combustion - the measure of heat energy released during burning**
-  **Does not melt, drip or stick**
-  **Self extinguishing**
